

## Criminal Activity or Violence

One may find themselves witness or a victim to criminal activity or violence either on or off campus. Regardless of whether the incident happens on or off campus your response should be the same and described as follows:

### What to do?

- Attempt to remove yourself from any danger.
- Call 911. Call from a safe location if possible.
- Avoid confrontation with criminal suspects.

### What Information to Provide

- Location of crime.
- Nature of crime and specifics (number of people involved, any weapons, etc.).
- Any injuries.
- Description of suspect(s) (height, weight, sex, race, clothing, hair color etc.).
- Direction of travel of suspects.
- Description of any vehicles involved in the crime.
