The certificates and degrees in Allied Health provide students with the knowledge and technical skills for employment in health care. In the Fairbanks area, the job market is especially favorable for medical and dental assistants. The certificates are designed to permit early employment options while completing the final portion of an A.A.S. degree.

Certificates offered include dental assistant, medical/dental reception, and phlebotomy. A.A.S. degrees offered include dental assistant and medical assistant. A one-semester, non-transcripted nurse aide course sequence is also offered.

The medical assistant A.A.S. degree incorporates the medical/dental reception certificate and prepares students for employment in ambulatory care settings. Students receive education in the theory and skills for both office work and clinical care. The UAF medical assistant A.A.S. degree program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP), on recommendation of the Curriculum Review Board of the American Association of Medical Assistants Endowment (AAMAE).

The dental assistant certificate and A.A.S. degree program prepares students to become skilled members of the dental health care team. Assistants greatly increase the efficiency of the dentist in the delivery of oral health and are valuable members of the dental profession. Upon completion of the coursework, students are eligible to take the Dental Assisting National Board (DANB) examination components for Radiology and Infection Control. After 600 hours or six months employment in a dental office, they will be eligible to take the General Chairedside component of the examination and become Certified Dental Assistants. Prerequisites are graduation from high school or equivalent (GED) and completion of a dental assisting application form. Applications and information can be obtained from P.O. Box 738120, Fairbanks, AK 99775-8120, or (907) 474-1191.

A student who earns the certificate in phlebotomy will satisfy the training requirement to take the American Society of Clinical Pathologist (ASCP) national certification examination for phlebotomy technician.

The Health Care Reimbursement certificate program prepares students for employment as medical billers and coders in medical offices, clinics, hospitals and other medical facilities. Students in the program learn analysis of medical records and the assigning of codes for indexing diagnoses and procedures to provide information for reimbursement proposes. The successful completion of this certificate prepares the student for national certification through the American Health Information Management Association (AHIMA) coding exam and the American Academy of Professional Coders exam.

The A.A.S. degrees in Nursing and in Radiologic Technology are offered by the University of Alaska Anchorage at the Tanana Valley Campus in cooperation with the Allied Health department. Graduates of the nursing program are prepared to use the nursing process to provide effective nursing services to individuals receiving care in inpatient settings and in structured outpatient settings. The academic program provides students with a closely related mix of theory and clinical practice; students gain experience in hospitals, nursing homes, clinics, and community agencies. Graduates of this A.A.S. degree are eligible to take the NCLEX examination that grants professional licensure to practice Nursing at the Registered Nurse level. Information can be obtained from the Allied Health department or by calling 474-6093.

The curriculum of the Radiologic Technology program is designed to meet the accreditation standards of the Joint Review Committee on Education in Radiologic Technology (JRCERT). Coursework for the degree is delivered through a combination of the traditional classroom setting, distance delivery and clinical experience. Upon completion of the program, students may apply to the American Registry of Radiologic Technologists (ARRT) for national certification. Information is available from the Allied Health department or by calling 474-5076.

**UNDERGRADUATE PROGRAM**

**MAJOR**

**Dental Assistant—Certificate**

1. Complete the certificate requirements (page 30).
2. Complete the following program (major) requirements:*  
   - HLTH 110—Professional Skills for the Workplace .................. 2  
   - HLTH 122—First Aid and CPR .................................................. 1  
   - HLTH 132—Administrative Procedures I ................................. 2  
   - HLTH 150—Dental Radiography .............................................. 4  
   - HLTH 151—Dental Infection Control .................................... 2  
   - HLTH 152—Dental Materials and Applications ..................... 4  
   - HLTH 153—Anatomy for Dental Assistants .......................... 3  
   - HLTH 234—Administrative Procedures II .............................. 4  
   - HLTH 251—Clinical Chairedside I for Dental Assistants .......... 4  
   - HLTH 252—Clinical Chairedside II for Dental Assistants ......... 4  
   - HLTH 253—Clinical Chairedside III for Dental Assistants ....... 4  
   - HLTH 254—Dental Assistant Practicum ................................. 4  
3. Minimum credits required .................................................. 38  
* Student must earn a C grade or better.

**Health Care Reimbursement—Certificate**

1. Complete the certificate requirements (page 30).
2. Complete the following:*  
   - CIOS 150—Computer Business Applications ............................. 3  
   - CIOS 260—Business Communications ...................................... 3  
   - HLTH 110—Professional Skills for the Workplace .................. 2

The University of Alaska Fairbanks is accredited by the Commission on Colleges and Universities of the Northwest Association of Schools and Colleges. UAF is an affirmative action/equal opportunity employer and educational institution. 4/03
3. Minimum credits required ............................................................ 32
   * Student must earn a C grade or better.

**Medical/Dental Reception—Certificate**
1. Complete the certificate requirements (page 30).
2. Complete 3 credits from one of the following communication courses:
   a. CIOS 260—Business Communications (3)
   or ENGL 111X—Introduction to Academic Writing (3) ............... 3
   * Student must earn a C grade or better.
3. Complete 3 credits from one of the following computer courses:
   a. MATH at the 100 level or above (3)
   or HLTH 116—Mathematics in Health Care (3) ............................. 3
   * Student must earn a C grade or better.
4. Complete the following human relations courses:
   a. HLTH 106—Human Behavior in Health Care ............................. 3
   * Student must earn a C grade or better.
5. Complete the following:
   a. CIOS 150—Computer Business Applications (3)
   or CIOS elective at the 200-level (3) ........................................... 3
   HLTH 110—Professional Skills for the Workplace ......................... 2
   HLTH 118—Medical Law and Ethics ............................................. 2
   HLTH 122—First Aid and CPR .................................................... 1
   HLTH 132—Administrative Procedures I ....................................... 2
   HLTH 204—Medical Terminology ................................................. 3
   HLTH 234—Administrative Procedures II ...................................... 4
   HLTH 261—Reception Externship ................................................. 2
   Approved HLTH, CIOS, ABUS, HSV, DEVS or COMM elective ........ 2

6. Complete 1 of the following:
   a. A timed exam and demonstrate competence in typing at 45 WPM.
   b. CIOS 106—Keyboarding I/Beginning Typewriting** .................... 3
   * Student must earn a B grade or better.

7. Minimum credits required .......................................................... 30-33
   * Student must earn a C grade or better.

**Student must earn a B grade or better.

**Phlebotomy—Certificate**
1. Complete the certificate requirements (page 30).
2. Complete 3 credits from one of the following computer courses:
   a. CIOS 260—Business Communications (3)
   or ENGL 111X—Introduction to Academic Writing (3) ............... 3
   b. MATH at the 100 level or above (3)
   or HLTH 116—Mathematics in Health Care (3) ............................. 3
   * Student must earn a C grade or better.
3. Complete the following computer courses:
   a. HLTH 114—Fundamentals of Anatomy and Physiology ............... 4
   HLTH 118—Medical Law and Ethics ............................................. 2
   HLTH 122—First Aid and CPR .................................................... 1
   HLTH 204—Medical Terminology ................................................. 3
   HLTH 245—Phlebotomy Principles and Methods ........................... 3
   HLTH 265—Phlebotomy Externship .............................................. 3
   Approved HLTH, CIOS, ABUS, HSV, DEVS or COMM elective ........ 2

4. Complete 1 of the following:
   a. A timed exam and demonstrate competence in typing at 35 WPM.
   b. HLTH 106—Keyboarding I/Beginning Typewriting** .................... 3
   * Student must earn a B grade or better.

**Dental Assistant—A.A.S. Degree**
1. Complete the general university requirements (page 28).
2. Complete the A.A.S. degree requirements (page 31).
3. Complete the following program (major) requirements:
   a. HLTH 110—Professional Skills for the Workplace ........................ 2
   HLTH 114—Fundamentals of Anatomy and Physiology .................... 4
   HLTH 122—First Aid and CPR .................................................... 1
   HLTH 132—Administrative Procedures I ....................................... 2
   HLTH 150—Dental Radiography ................................................... 4
   HLTH 151—Dental Infection Control .......................................... 2
   HLTH 152—Dental Materials and Applications ............................... 4
   HLTH 153—Anatomy for Dental Assistants ................................... 3
   HLTH 203—Science of Nutrition .................................................. 3
   HLTH 234—Administrative Procedures II ..................................... 4
   HLTH 247—Introduction to Pharmacology .................................... 2
   HLTH 251—Clinical Chairside I for Dental Assistants .................... 4
   HLTH 252—Clinical Chairside II for Dental Assistants .................. 4
   HLTH 253—Clinical Chairside III for Dental Assistants ............... 4
   HLTH 254—Dental Assistant Practicum ...................................... 4
   * Student must earn a C grade or better.

4. Minimum credits required .......................................................... 62
   * Student must earn a C grade or better.

**Medical Assistant—A.A.S. Degree**
1. Complete the general university requirements (page 28).
2. Complete the A.A.S. degree requirements (page 31).
3. Complete the following program (major) requirements:
   a. CIOS 150—Computer Business Applications (3)
   or or appropriate CIOS elective (3) ....................................... 3
   HLTH 110—Professional Skills for the Workplace ........................ 2
   HLTH 114—Fundamentals of Anatomy and Physiology .................... 4
   HLTH 116—Mathematics in Health Care (3)
   or MATH elective at the 100-level or above (3) ............................ 3
   HLTH 118—Medical Law and Ethics ............................................. 2
   HLTH 122—First Aid and CPR .................................................... 1
   HLTH 132—Administrative Procedures I ....................................... 2
   HLTH 142—Clinical Procedures I ............................................... 4
   HLTH 204—Medical Terminology ................................................. 3
   HLTH 234—Administrative Procedures II ..................................... 4
   HLTH 244—Clinical Procedures II .............................................. 4
   HLTH 268—Medical Assisting Externship ................................... 4
   Approved HLTH, CIOS, ABUS, HSV, DEVS or COMM elective ........ 5
   * Student must earn a C grade or better.

4. Complete 1 of the following:
   a. A timed exam and demonstrate competence in typing at 45 WPM.
   b. CIOS 106—Keyboarding I/Beginning Typewriting** .................... 3
   * Student must earn a B grade or better.

5. Minimum credits required .......................................................... 60
   * Student must earn a C grade or better.

**Student must earn a B grade or better.**
