B.A. Degree

Minimum Requirements for Degree: 130 credits

The northern studies program offers an interdisciplinary study of northern problems and policy issues. The purpose of the northern studies program is to give interested students a broader study of the northern region—its environment, peoples and problems.

The geographic location of UAF is outstanding for the study of northern issues. Students examine the countries and regions throughout the circumpolar North, and their distinctive problems, such as the survival of indigenous populations, environmental and wilderness issues, high rates of alcoholism and suicide, fragile environments, adaptation to extreme cold and cycles of light and darkness and adult development in small frontier societies.

The northern studies curriculum is centered around an interdisciplinary course (NORS 484W—Seminar in Northern Studies) which is taken in the senior year.

For information on studying at McGill University, Montreal, Canada; the University of Copenhagen, Denmark; or opportunities for study in the former U.S.S.R., see Exchange Programs and Study Abroad Programs, page 62.

Major—B.A. Degree

1. Complete the general university requirements (page 107).
2. Complete the B.A. degree requirements (page 111).
3. Complete the following northern studies core requirements:* ANL 315—Alaska Native Languages: Eskimo-Aleut ..................3 BIOL 104—Natural History of Alaska ........................................3 BIOL 104—Natural History of Alaska ........................................3 GEOG 427—Cold Lands ..............................................................3 HIST 483W—20th Century Circumpolar History ..........................3 NORS 484W—Seminar in Northern Studies ..................................3 PS 263—Alaska Native Politics (3) or PS 462—Alaska Government and Politics (3) ..........................3
5. Minimum credits required .............................................130

* Student must earn a C grade or better in each course.
** Students are encouraged to use the major in conjunction with a discipline-based major. Double majors linking northern studies with, for example, Alaska Native studies, anthropology, geography, history or political science majors may double count a maximum of 9 credits from the above groupings toward the second major. Other majors may double count a maximum of 9 credits toward their university distribution requirements.
*** Two semesters of a northern language, such as Eskimo or Russian.

Minor

1. Complete the following:
2. Minimum credits required .............................................18

Note: Page numbers refer to the UAF 2003-2006 academic catalog, which can be viewed online at www.uaf.edu/catalog/.
Baccalaureate Core Requirements

All degrees (e.g. B.A., B.S., etc.) require additional courses. Refer to specific degree and program requirements.

COMMUNICATION (9)
Complete the following:
ENGL 111X ..........................................................(3)  
ENGL 190H may be substituted.

Complete one of the following:
ENGL 211X OR ENGL 213X ..................................(3)

Complete one of the following:
COMM 131X OR COMM 141X ............................(3)

PERSPECTIVES ON THE HUMAN CONDITION (18)
Complete all of the following four courses:
ANTH 100X/SOC 100X ..............................................(3)
ECON 100X OR PS 100X ...........................................(3)
HIST 100X ..................................................................(3)
ENGL/FIL 200X ...........................................................(3)

Complete one of the following three courses:
ART/MUS/THR 200X, HUM 201X OR ANS 202X ............(3)

Complete one of the following six courses:
BA 323X, COMM 300X, JUST 300X, NRM 303X, 
PS 300X OR PHIL 322X ...............................................(3)

OR complete 12 credits from the above courses PLUS
• two semester-length courses in a single Alaska Native language or other non-English language OR
• three semester-length courses (9 credits) in American Sign Language taken at the university level.

MATHEMATICS (3)
Complete one of the following:
MATH 107X, MATH 161X OR MATH 103X .............. (3-4)
* No credit may be earned for more than one of MATH 107X or 161X.

OR complete one of the following:
MATH 200X, MATH 201X, MATH 202X,
MATH 262X OR MATH 272X .............................................(4)
* Or any math course having one of these as a prerequisite

NATURAL SCIENCES (8)
Complete any two (4-credit) courses:
ATM 101X ..............................................................(4)
BIOL 100X ..............................................................(4)
BIOL 103X ..............................................................(4)
BIOL 104X ..............................................................(4)
BIOL 105X ..............................................................(4)
BIOL 106X ..............................................................(4)
BIOL 111X ..............................................................(4)
BIOL 112X ..............................................................(4)

CHEM 100X ............................................................(4)
CHEM 103X ............................................................(4)
CHEM 104X ............................................................(4)
CHEM 105X ............................................................(4)
CHEM 106X ............................................................(4)

GEOG 205X ............................................................(4)

ECON 100X ............................................................(4)

ANTH 100X/SOC 100X ..............................................(3)

Complete any two (4-credit) courses:
TH 200X, MATH 201X, MATH 202X,
MATH 107X, MATH 161X OR MATH 103X .............. (3-4)

* No credit may be earned for more than one of MATH 107X or 161X.

OR complete one of the following:
MATH 200X, MATH 201X, MATH 202X,
MATH 262X OR MATH 272X .............................................(4)
* Or any math course having one of these as a prerequisite

PHYS 211X ..............................................................(4)
PHYS 212X ..............................................................(4)
PHYS 213X ..............................................................(4)

LIBRARY AND INFORMATION RESEARCH (0–1)
Successful completion of library skills competency test OR
LS 100X or 101X prior to junior standing ..................(0–1)

UPPER-DIVISION WRITING AND ORAL COMMUNICATION (0)
Complete the following:
Two writing intensive courses designated (W) .............(0)
One oral communication intensive course designated (O) ..(0)
OR two oral communication intensive courses designated (O/2), at the upper-division level (see degree and/or major requirements) .......(0)

TOTAL CREDITS REQUIRED .................38–39
