# THE DEAD END POET'S SOCIETY™ A COMPETITION FOR YOUNG POETS 2016

The UAF Georgeson Botanical Garden Babula Children's Garden has built a giant hedge maze. The maze has many dead ends. It may be the path to the center of the maze, it may be a path to a dead end, or it may be a path to one of the greatest poems you have ever read!

The Georgeson Botanical Garden announces a contest for poets in grades K-6. It is open to all students in the North Star Borough including public and private schools, charter schools, and home school students. Please write an original poem about springtime in the garden (planting seeds, emerging plants, emerging insects, buds on tree branches, have fun with your imagination!). The winners will be "published" in one of the many dead ends of the maze and may appear in newsletters and other publications of the Georgeson Botanical Garden.

There are no restrictions on poetry style. It could be haiku, a limerick, an ode, free verse, tongue twister, palindrome or others. The poem must be typewritten and must fit on one 8.5 x 11" sheet of paper, either direction, 20 point font. Poets may choose to illustrate their poem, but that is not required. Teachers, parents and sponsors may help type and submit the poem, but the work must be the student's original effort.

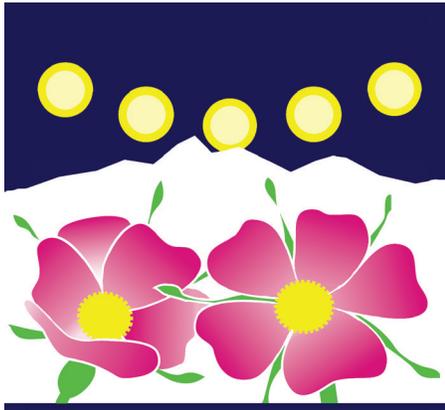

#### PRIZES:

- 1<sup>st</sup> place - One Year Family Membership to the GBG, 20% off gift certificate to the Annual GBG Spring Plant Sale, a GBG T-Shirt, and your poem will be displayed in the maze
- 2<sup>nd</sup> place - 20% off gift certificate to the Annual GBG Spring Plant Sale, a GBG T-Shirt, and your poem will be displayed in the maze
- 3<sup>rd</sup> place - A GBG T-Shirt and your poem will be displayed in the maze.
