Alcohol Beverage Policy

POLICY STATEMENT
Serving alcohol beverages at events on campus, or at UAF events located off-campus, requires compliance with state laws and sensitivity to the public’s perception of our institution. It is the University’s desire to provide a safe and secure environment for all faculty, staff, students, and visitors attending UAF events. All persons who consume alcohol beverages will do so in a responsible manner.

BACKGROUND & JUSTIFICATION
The sale and dispensing of alcohol beverages is regulated by the State of Alaska Alcoholic Beverage Control (ABC) Board. An ABC permit is required when alcohol is served at a UAF supported event. When a UAF supported event on or off campus requires an ABC permit, the permit application must be approved by the Director for Auxiliary, Recharge and Contract Operations (as the Chancellor’s designee). Individuals serving alcohol must comply with State of Alaska ABC laws and regulations.

DEFINITIONS

Non-compliance can lead to arrest and fines. The UAF Police Department can terminate an event if the ABC permit is not displayed, if alcohol is served by anyone that does not have an approved alcohol server education card, or if alcohol is served to anyone under the age of 21. The university can take additional actions as deemed necessary. Sponsoring departments, organizations, and individuals should be cognizant of vicarious liability suit and the consequences to the organization should a vicarious liability suit be filed against the university when a person, regardless of age, attending an event and consuming alcohol beverages is involved in an accident resulting in personal injury and/or death.

Organizations should also be aware of their exposure to legal risk when event sponsors permit the violation of laws concerning alcohol at their event. These laws include serving alcohol to minors and/or intoxicated individuals.
