This is a common place to ice fish and is stocked with fish regularly. We will get to drill our own holes in the ice and hopefully catch some dinner. A fishing permit is required for this trip. You can buy a fishing license at the Woodcenter, Fred Meyer, ADF&G, or any outdoor store where you can buy a gun.

Things to bring:

- Synthetic long underwear
- Fleece jacket or wool sweater and/or vest
- Puffy coat
- Snow pants
- Winter Gloves
- Warm (wool or synthetic) socks
- Warm wool or fleece hat

A 100% refund is available if you notify the Outdoor Adventures Office of the cancellation more than two weeks (14 days) before the first day of the trip. Cancellation one week to 3 days (13 to 3 days) before the trip entitles the participant to a 50% refund. No refund is provided if the participant does not show up or cancels 2 days prior to the trip.

**Safety and Risk Management:**

Due to the nature of outdoor travel there are certain inherent risks in all of Outdoor Adventure's trips. Acceptable risks include but are not limited to; hiking over rough uneven terrain with a heavy backpack on, hiking up and down steep inclines with muddy and loose footing, crossing creeks and swampy ground, having wet feet and clothing. Conditions may include below freezing temperatures, thunderstorms, rain, sleet and high winds. Driving risks may include slick roads, poor visibility and wildlife. Alaska is a wild place - you need to take ultimate responsibility for your own safety as only you can. For your protection we require you to carry health insurance. You can purchase insurance for $2.60/day from the University (ask for details). All info is subject to change due to safety, weather, current conditions, etc.!
