

## TEEN STUDIO

### Saturday programs designed just for teens (13-18)!

Each month, explore a new theme, see and touch museum objects, and make something to take home.

Join us for one Teen Studio or sign up for all of them!

---

### Whales, February 24 \* 2-4pm

See whale specimens and whalebone art. Be inspired by Rockwell Kent, illustrator of *Moby Dick*. Create your own whale-themed art.

### Butterflies, March 31 \* 2-4pm

Discover how one Fairbanksan collected more than 83,000 butterflies. See specimens. Learn about local species and mount butterfly specimens.

### Visual Storytelling, April 28 \* 2-4pm

Explore how stories are told through pictures, from ancient rock art to modern videos. Put together a visual story.

---

**For ages 13-18.** Parents/guardians must sign a registration form.

**Museum admission (free for members) + \$5 materials fee per session.**

*Advanced registration required. Space is limited.*

*Note: Teen Studio will be cancelled if there are fewer than 3 registrants.*
