University of Alaska Fairbanks
College of Rural & Community Development

Service at the Point of Need

Bernice Joseph
Vice Chancellor Rural, Community & Native Education
Mission Statement: The College of Rural & Community Development provides academic and vocational education that promotes workforce preparation, economic development, life-long learning, and community development with an emphasis on Alaska Natives, and underserved communities.

Vision Statement: The College of Rural & Community Development, an engaged institution, is positioned to respond to students and partners in developing the economic and social well-being of Alaska Native communities and beyond.
