The UAF School of Management provides a high quality education that prepares students for professional success in meeting the challenges facing businesses in Alaska and around the world.

We embrace experiential learning by encouraging our students to be active participants in their education through involvement in a variety of opportunities beyond the classroom, including student organizations, paid internships and social networking events.

Success in action.
BEST ACCREDITATION

• Our school and our accounting program hold accreditation from The Association to Advance Collegiate Schools of Business, the premier global accrediting body for business and accounting programs and schools.
  » We have maintained our specialized accreditation for 27 years.
  » We are the only school in Alaska to have AACSB accreditation for both our business and accounting programs.
  » Only 182 schools — 1.4% of universities worldwide — have dual AACSB accreditation.

BEST GRADUATES

• Our students have the highest CPA pass rates of any college or university in Alaska.
• Our student CPA pass rate is higher than the national average.
• Our undergraduate students consistently score in the top 90% of business students nationwide on national standardized business exams. Our graduate students consistently score in the top 75% (8 year average; over 700 universities participate in the exam).
• We have approximately 600 undergraduate students and 100 graduate students.
• Our graduates earn jobs in top companies.
