**Camping gear:**
Good tent if you have one (1-2 person, waterproof, good to 0 C)
We will provide a number of 2-person tents to be shared by students
sleeping bag (good to 0 C)
sleeping pad (bags and pads can be rented from UAF Outdoor Adventures)
duffel or other soft-sided bag for packing your gear in the truck
day pack (moderate size for daily use in field)
several clear heavy-duty plastic bags for keeping things dry and compartmentalizing gear
1-liter water bottle

**Outer gear:**
1-2 ski caps (wool or polypro)
hat with sun visor
1 warm jacket with hood (down or fiberfill) for camp
1 waterproof jacket with hood. Needs to be waterproof not water resistant and fairly heavy duty.
1 rain pants (heavy duty, waterproof not water resistant)
sunglasses with UV protection and/or prescription glasses (extra pair advised)
gloves (1-2 pair)
mosquito headnet

**Clothing:**
1 vest or sweater (down, wool or poly-pro)
1 warm shirt (wool or fleece, not cotton)
1 light quick-drying long-sleeved shirt
1 long underwear shirt
1 pair warm pants (wool or fleece, not cotton)
1 pair light weight, quick-drying pants
1 long underwear pants
1 pair shorts (optional)
3+ changes of underwear/shorts
2 T-shirts
3 pairs wool or polypro socks
2 pairs light cotton or polypro socks
bandana or scarf

**Footgear:**
rubber boots (calf-high, good fitting for hiking - Xtra-Tuffs or BF Goodrich are good)
camp shoes - light weight hiking boots, running shoes or sandals
warm slippers or down booties for wearing in tent

**Personal toiletries:**
bug repellent (1-2 small bottles, 95% DEET)
sunscreen - lotion & lip balm
hand lotion
toothbrush, toothpaste, floss
light-weight/quick drying towel, washcloth
period supplies
shaving supplies
soap, shampoo (small bottles)
brush, comb, hair ties
commonly used medication (vitamins, advil, aspirin, bacitracin/neosporin, etc.)
prescription medication
1/2 roll of toilet paper for field

Miscellaneous:
small pocket-size field notebook (Rite-in-the-Rain 18 x 11.5 cm, provided)
two mechanical pencils
10x hand lens (available for purchase in Fairbanks or see: www.compleatnaturalist.com)
apalarm clock, watch

Optional items:
pocket knife (make sure to put in checked luggage on plane)
books (personal reading)
binoculars
thermos for hot drinks
camera, telephoto lens, extra battery/ battery charger/ download cable
GPS w/extra batteries (we will have several for the course)
bathing suit
inflatable pillow
waterproof matches or lighter
sewing kit, other repair items
whistle, compass, signal mirror
bug shirt (available from LL Bean or Campmor, probably not necessary north of the Brooks Range in June)
1-2 canvas shopping bags for carrying sampling gear in the field (if you have them)
laptop computer (we will have a small generator, so can recharge some electronics in evenings)
