1. Log on to the secured area of UAOnline (http://uaonline.alaska.edu). Select “Student Services & Account Information,” then “Registration.”

2. Look up courses to add. On the “Registration” page, select “Class Schedule Search.” (You may also select “Register/Add/Drop Classes” and then “Class Search.”) In either case, be sure to choose the proper semester or term, and choose “UAF—Main Campus” from the list of campuses. (A key for abbreviations, acronyms, etc., is available under “About Course Finder” at www.uaf.edu/coursefinder/)

3. Add your classes. In the “Add Classes Worksheet” on the “Register/Add/Drop Classes” page, enter the CRNs of the classes you wish to take.

4. Variable Credit Class/Auditing a Class. If you register for a course that has variable credit or you want to audit a course, select “Change Class Options.” Enter the amount of credit you want, or press the “Grade Mode” menu and highlight “Audit” to select that option. The audit option may not be available at UAOnline because not all courses allow auditors. Contact the instructor or the department for more information.

5. Review your schedule. After you select “Complete Registration Changes,” your current schedule will be displayed.

6. Resolve errors. If there are any errors, select “Error” to find more information about it. Some, such as scheduling two courses at the same time, can be resolved by dropping a class. However, the following errors cannot be resolved online:
   - Special-permission courses
   - Individual-study courses
   - Credit overloads
   - Courses that appear to overlap in time. To take courses offered at times that conflict, you must obtain instructor approval. Once approval has been forwarded to the Office of Admissions and the Registrar, the courses will be made available for you to add after you register for your other courses.
   - Registration hold. If you have a registration hold, you may not register until the hold is removed by the initiating office. Registration holds may result from:
     - Unpaid tuition and fees/outstanding balances on your student account (e.g., parking fines, course fees). See the Office of the Bursar, or call 474-7384.
     - Judicial/disciplinary holds. See Student Services, or call 474-7317.
     - Other registration holds. See the Office of Admissions and the Registrar, or call 474-7500.
   - UAF is part of a statewide system. Therefore, a hold at one unit of the University of Alaska will affect your registration at all UA units.

7. Buy your textbooks. Select “Get Books” or “Bookstore Directory” for bookstore contact information. (Books are purchased through bookstore websites, not at UAOnline.)

**Registration IN PERSON**

1. **Availability.** In-person registration is available at the Office of Admissions and the Registrar (102 Signers’ Hall) or Community and Technical College (604 Barnette St.).

2. **AFTER you’ve registered**

   b. A copy of your class schedule and estimate of tuition and fees can be obtained from UAOnline. If you resolved any schedule errors in step 6 above by consulting your advisor, academic department, or the Office of Admissions and the Registrar, the status of the courses involved will be changed to allow you to register for them online.
