National statistics show students living on campus continue to academically out-perform their peers living off campus.

Join a community intentionally designed to meet the needs of new and continuing students.

Conveniently walk to classes and avoid the hunt for parking.

WHAT IS REV-IT-UP?
Rev-It-Up is a one-stop shop for you to check into your residence hall, take care of other university business before classes begin, and meet your residence hall staff. Once you check into your room (aided by our helpful movers), you can visit a variety of offices including: Residence Life, Polar Express, Campus Dining Services, Office of Information Technology, Financial Aid, Office of the Bursar, Rural Student Services, Post Office, Center for Health & Counseling, Office of the Registrar, Admissions, New Student Orientation, and Academic Advising.

APPLY EARLY!
Submitting your application by June 1 will give you the best chance at the room of your choice! Visit the Residence Life website to find rates, view floorplans, see photos, and learn about hall communities.

Find your EDGE
Our Unique Approach

The EDGE program stands for Education, Development, Growth, and Experience. The program was developed to provide first year students with a solid foundation for success through community engagement; learning doesn’t stop when you leave the classroom. For the students living on campus learning is happening every moment of every day, not to mention a whole lot of fun!

NATIONAL RESEARCH INDICATES THAT LIVING ON CAMPUS CONTRIBUTES TO GREATER OVERALL SATISFACTION WITH AND SUCCESS IN COLLEGE.

The EDGE program helps promote a smooth and successful transition into college life. This first-year experience (FYE) program is designed to assist freshman both academically and socially to campus life. The EDGE program provides students with numerous opportunities throughout the year with an emphasis on meeting new friends, and creating a dependable community those first few weeks on campus.

THE EDGE PROGRAM AT UAF OFFERS GUIDANCE, ADVICE, AND HELP AS YOU EXPLORE OPTIONS.

Through programs, resources, and services, we provide the information you need to make your education and experience at UAF everything you want it to be. Your first UAF experience as a student is New Student Orientation, but your connection with the EDGE Program continues after that. We will guide you through UAF traditions from Starvation Gulch to Springfest, add depth to your academic studies with peer mentors, and answer any and all questions you may have about being a Nanook.
