PROVOST'S OFFICE

On behalf of the Northwest Commission on Colleges and Universities, I am pleased to inform you that the progress report submitted by the University of Alaska Fairbanks has been accepted. The Commission was satisfied with the progress made regarding General Recommendations 3, 4, 7 and 8 of the fall 2001 Evaluation Committee Report and the previously approved Substantive Change proposal to offer thirteen degree and certificate programs which had been implemented but not reviewed. These matters were subjects of Commission correspondence dated January 11, 2002, and February 5, 2002.

Best wishes for a rewarding New Year.

Sincerely,
