

UAF Developmental Courses Fall 2002 - Spring 2010

This analysis excludes correspondence courses by excluding all sections with Distance Delivery Flag = 'Y'. It also excludes audioconference courses by excluding all campus 1 courses. These exclusions could eliminate the odd course that we are interested in and may not exclude all audioconference courses. These situations are likely to occur due to miscodings in the Banner system.

UAF Core Courses Fall 2002 - Spring 2010

This analysis excludes correspondence courses by excluding all sections with Distance Delivery Flag = 'Y'. It also excludes audioconference courses by excluding all campus 1 courses. These exclusions could eliminate the odd course that we are interested in and may not exclude all audioconference courses. These situations are likely to occur due to miscodings in the Banner system.

UAF Core Courses Fall 2002 - Spring 2010

This analysis excludes correspondence courses by excluding all sections with Distance Delivery Flag = 'Y'. It also excludes audioconference courses by excluding all campus 1 courses. These exclusions could eliminate the odd course that we are interested in and may not exclude all audioconference courses. These situations are likely to occur due to miscodings in the Banner system.

UAF Core Courses Fall 2002 - Spring 2010

This analysis excludes correspondence courses by excluding all sections with Distance Delivery Flag = 'Y'. It also excludes audioconference courses by excluding all campus 1 courses. These exclusions could eliminate the odd course that we are interested in and may not exclude all audioconference courses. These situations are likely to occur due to miscodings in the Banner system.

UAF Core Courses Fall 2002 - Spring 2010

This analysis excludes correspondence courses by excluding all sections with Distance Delivery Flag = 'Y'. It also excludes audioconference courses by excluding all campus 1 courses. These exclusions could eliminate the odd course that we are interested in and may not exclude all audioconference courses. These situations are likely to occur due to miscodings in the Banner system.
