

Annual Flowers 1996
by
Pat Wagner, Grant Matheke and Pat Holloway

The annual flower trials are an evaluation of new and standard flower cultivars from commercial seed companies. We also display the All-America Selections winners including the most recent selections which will be available in seed catalogs and garden centers next season. Look for the special 1997 AAS labels in the garden. All of the annual flowers are grown as greenhouse bedding plants and transplanted into the garden after June 1.

Special thanks to the following seed companies for providing free seeds for our trials: Ball Seed Co., Harris Seeds, Geo. W. Park Seed Co., Stokes Seeds, Thompson and Morgan, Inc. and Vaughan's Seed Co.

No endorsement of firms mentioned is intended, nor is criticism implied of those not mentioned.
