

Annual Flowers 1998

by

Pat Holloway, Grant Matheke and Pat Wagner

The annual flower trials are an evaluation of new and standard flower cultivars from commercial seed companies. We also display the All-America Selections winners. Look for special 1999 AAS labels for the most recent winners. Seeds will be available in catalogs next season. All of the annual flowers are grown as greenhouse bedding plants and transplanted into the garden beginning June 1. Special thanks to the following seed companies for providing free seeds for our trials: Ball Seed Co., Harris Seeds, PanAmerican Seed Co., Geo. W. Park Seed Co., Stokes Seeds, Thompson and Morgan, Inc. and Vaughan Seed Co. (No endorsement of firms mentioned is intended, nor is criticism implied of those not mentioned.)
