## Annual Flowers 2000

by

Pat Holloway, Grant Matheke, Etta Gardiner and Tracy Terry

The annual flower trials are an evaluation of new and standard flower cultivars from commercial seed companies. We also display the All America Selections winners including the most recent selections that will be available in 2001. Look for the special AAS labels in the garden. All of the annual flowers are grown as greenhouse bedding plants and are transplanted into the garden the first week of June. Special thanks to the following companies for providing free or discounted seeds for our trials: Ball Seed, Harris Seeds, Johnny's Selected Seeds, PanAmerican Seeds, Geo W. Park Seed Co., Stokes Seeds, Thompson & Morgan, Inc. and Twilley Seeds. No endorsement of companies mentioned is intended nor is criticism implied of those not mentioned.
