Georgeson Botanical Notes No 14

Revised 2001

Annual Flowers 2001

by

Pat Holloway, Grant Matheke, Jan Hanscom, Etta Gardiner, Tracy Terry & Cori Campanella

The annual flower trials are an evaluation of new and standard flower cultivars from commercial seed companies. We also display the All America Selections winners including the most recent selections that will be available in 2001. Look for the special AAS labels in the garden. All of the annual flowers are grown as greenhouse bedding plants and are transplanted into the garden the first week of June. Special thanks to the following companies and individuals for providing free or discounted seeds for our trials: Ball Seed, Harris Seeds, Johnny's Selected Seeds, PanAmerican Seeds, Geo W. Park Seed Co., Risse Greenhouses, and Stokes Seeds. No endorsement of companies mentioned is intended nor is criticism implied of those not mentioned.
