NOTES:

> *This spreadsheet has all programs on it for the purpose of tracking historical data - even if the program has been suspended, re-organized, etc.*

> All active programs are required to submit a summary for 2018. Although summaries are now only submitted every two years, please note that those summaries should indicate that outcomes data are being collected and reviewed every year.

> SOE is one AY behind in reporting due to CAEP schedule

KEY:

> suspended and under review - note that if a program has been suspended, but there is a data on file for program review, the program remains on the list until the program has been officially deleted/discontinued.

> No SLOA is expected or required, due to suspension or other factors.

> **NEW PROGRAM WITH YEAR INTRODUCED**
