<b>Conclusions drawn from the information collected above and how are faculty collectively involved in drawing conclusions</b>	<i>Most of the BA students after first semester of study will be placed into a BM or BM ed degree. This degree serves as a provisional degree until placement into a higher degree. This process of using the BA degree as a first step is a necessity in the assessment of a student's abilities and his/her potential for success, even though the number of students actually in the degree program may be skewed.</i>	<i>Most of the BA students after first semester of study will be placed into a BM or BM ed degree.
