

Outcomes Assessment Implementation

Associate of Arts Degree

Academic Year

	2007-2008	2008-2009	2009-2010
Assessment Information Collected			<p>100% of respondents were using the AA degree to step into a 4-year program</p> <p>27.3% of respondents entered AA program for promotion or job search – they also are continuing to a 4-year degree</p> <p>Many students fulfill AA requirements over a long period of time.</p>
Conclusions drawn from this information			<p>The program is serving students well based on goals outlined for the AA degree.</p> <p>Retention rates appear low when compared to “normal” UAF completion time-lines</p>
Curricular changes resulting from conclusions			<p>Investigating alternative methods of evaluating “retention” for the AA degree.</p>
