

## Exhibit 1

Outcomes Assessment Implementation Summary			
Associate of Applied Science, Dental Hygiene			
	<i>Academic Year 2009-2010</i>		
	<b>2007-08</b>	<b>2008-09</b>	<b>2009-2010</b>
<b>Assessment information collected</b>	Since this was the first year of a newly accredited program, no information on graduates was available to collect.	No data was available. The first class graduated in May of 2009. That data was analyzed during 2009-10 and is reported as 2009-10.	<p>The data below were collected following the spring 2009 graduation of the first class of dental hygiene students.</p> <ol style="list-style-type: none"> <li>1. National Board Dental Hygiene Examination (NBDHE).</li> <li>2. Western Regional Examining Board (WREB).</li> <li>3. WREB Anesthesia Board.</li> </ol>
<b>Conclusions drawn from the information collected above</b>	None.	None.	All of our students passed the NBDHE and WREB examinations in 2009. Two of our six students failed the WREB Anesthesia Board examination on their first attempt, but passed it on their second.
<b>Curricular changes resulting from conclusions drawn above</b>	No changes required.	No changes Required	The anesthesia course instructor is aware of the Board results, and has modified the course content to address areas of clinical and didactic deficiency. We continue to work to strengthen all other areas of the curriculum for the purpose of better preparing our graduates for modern clinical practice.
