

UAF Bristol Bay Campus Model Release Form

Thank you for being part of this project to
celebrate and preserve the Yup'ik language
in the Iliamna Lake area.

We are gathering pictures, video, and audio recordings.

The end product will be a language app that is *freely available* to all.

It will have words, phrases and possibly even songs recorded along with pictures of the area and people.

The app will make the recordings available on smart phones and computers. **Thank you again** for your participation in this project.
