

## **UAF Kuskokwim Campus-City of Bethel Consortium Library COVID-19 Mitigation Plan for in person library use**

### **Room Occupancy at phase B/C: 25-50% occupancy**

- Main Stacks: 2-5 people or 1 family
- Alaska Room: 1-3 people or one family
- Children's Room: 2 people or one family
- Meeting Rooms: 23-50 people per section

### **Mitigation plan**

- The library is open by appointment.
- Curbside pickup is available for library materials.
- Masks are required at all times for everyone age 2+ covering the mouth and nose.
- All programs and in person activities with non- household members will be held in the community meeting room where 6 feet distance can be maintained at all times.
- Staff will keep a log for all attendees at each program and for library appointments, including names, phone numbers, temperature taken, hand sanitizer available, and screening questions asked.
- Food and drink only allowed in programs when more than 6 feet distance is possible between all non-household members. Face masks must be worn when not actively eating.
- Arts and Crafts programs will have stations set up 6 feet apart with art supplies for each student- no sharing of tools unless they are sanitized after each use.
- Movies will be shown in all three sections, with the walls up, with chairs spaced at least 6 feet apart, max 23 people per section.
- Events will be moved outside or online as much as possible.
- Staff will be stationed at the door to control traffic flow.
- Bathrooms and water fountains are not available. The water bottle filling station is available.
- Food and Drink are not allowed unless provided by the library as part of a program.
- Hand sanitizer and Clorox wipes are available at all times. Patrons are encouraged to wipe mouse and keyboard down before use.
