Alaska BioPREP's *Jurassic Genetics* Behavioral Expectations and Signature Page

****Priority Application Deadline is April 30th, 2010****

ABSOLUTELY NO TOBACCO, FIREARMS, ALCOHOL OR ILLEGAL DRUG USE OR POSSESSION ALLOWED at *Jurassic Genetics*. Can you agree to this (yes/no)? _____

Jurassic Genetics introduces students to work in research labs and is rigorous. Students are expected to complete two university credits in a two-week period. Academic expectations of students at *Jurassic Genetics* are high. Because course workloads are substantial, full attendance is required. Students will be expected to complete homework and lab assignments outside of class. In addition to the normal course load, students will present their research at the *Jurassic Genetics* closing ceremony. Students must abide by behavioral and full attendance guidelines in order to participate in the closing ceremony and class presentations. Students who do not maintain full attendance will not receive college credit for the course.

Rules: The use of cell phones is only allowed on the weekends unless extenuating circumstances exist. Responsibility to self and to each other, plus university rules and state law all combine to shape the code of conduct for *Jurassic Genetics*. Safety, comfort, and the need to ensure an atmosphere that supports learning are all objectives of this policy. Students are expected to attend class, be prepared and on time, and participate in all program events. Students respect each other, instructors, and residence staff, as well as property.

I certify that all information in my application is the truth, to the best of my knowledge. I hereby apply for admission to Alaska BioPREP's *Jurassic Genetics* program. I agree to abide by the behavioral and attendance guidelines set forth above.

Alaska BioPREP's *Jurassic Genetics*: North Slope Edition 2010 Application

CONFIDENTIAL SCHOOL ASSESSMENT

To be filled out by science teacher

****PRIORITY DEADLINE: RECEIVED BY THE ALASKA BioPREP OFFICE BY APRIL 30, 2010****

Student's name: _____ School: _____ Present Grade: _____

How long have you known this student? _____ In what capacity? _____

Subject(s) you teach: _____

Any individual completing this form should have sufficient knowledge of the applicant to provide the information requested. *Jurassic Genetics* prepares students for real-world scientific research and is rigorous. **Academic expectations at *Jurassic Genetics* are very high. Course workload is substantial.** Help us to know this student! Nominate a current student who is interested in earning a college degree. This student should have a cumulative grade point average of at least a 3.0 and read at or above grade level, and preferably have lived all or most of their life in rural Alaska. Be candid. All information is kept confidential. Only those who review applications will see them. Thank you for your help.

1. Please circle your answer.

SD=strongly disagree D=disagree N=neutral A=agree SA=strongly agree

- | | | | | | |
|---|----|---|---|---|----|
| a. This student takes responsibility for his/her education. | SD | D | N | A | SA |
| b. This student reads at or above grade level. | SD | D | N | A | SA |
| c. This student is a self-starter. | SD | D | N | A | SA |
| d. This student works diligently even without supervision. | SD | D | N | A | SA |
| e. This student works well in small groups. | SD | D | N | A | SA |
| f. This student is punctual and has good attendance. | SD | D | N | A | SA |
| g. This student has good communication skills. | SD | D | N | A | SA |
| h. I feel this student will attend college and earn a degree. | SD | D | N | A | SA |

2. Please circle Yes or No.

- | | | |
|---|-----|----|
| a. This student has taken (or is currently enrolled in) a full year science class with lab. | Yes | No |
| b. This student has taken (or is currently enrolled in) a full year of math. | Yes | No |

3. Please circle Yes or No.

- | | | |
|---|-----|----|
| a. Does the student have a history of inappropriate behavior? | Yes | No |
| b. Does the student show a lack of respect for authority, peers, or property? | Yes | No |
| c. Does the student have a history of drugs and/or alcohol problems? | Yes | No |
| d. Does the student have supportive parents/family? | Yes | No |

Please explain further: _____

4. Overall Recommendation: Write a brief statement to help us know this student:

a. Attitude toward education.

b. What are this student's strengths? _____

c. What are this student's weaknesses? _____

d. Please describe the student in the following areas. Both positive and negative, what are the student's plans to earn an academic degree, ability to understand new materials and to adapt to new situations, punctuality, maturity under stress, motivation to learn, ability to meet deadlines and to complete assignments on time, leadership, and respect for authority. Please be frank and direct.
