

ACCESSIBLE (ADA) PARKING

1. There is no additional fee for ADA parking; however, a regular parking decal or permit is required, for students, staff, faculty, visitors and contractors to park in any available ADA space.
2. ADA parking available in gold lots require only current ADA permit and a regular parking decal or permit, a gold permit is not required. ADA parking in zone 907 pay by plate lots requires current ADA permit and current pay by plate permit or current meter payment when available.
3. Accessible parking is provided in compliance with federal and state law for those who legally display Alaska Department of Administration, Division of Motor Vehicles disabled license plates or permits.
4. Assigned ADA parking is provided in limited numbers for individuals with severe impairments or serious medical problems, such that closest access to the facility is medically warranted. Spaces are reserved for specific individuals only. The license number of the authorized vehicle will be placed on the "Reserved for" sign in the space. For more information, please contact the Office of the Bursar.

CLASS 5 VIOLATIONS \$250.00:

#500 ACCESSIBLE (ADA) SPACES OR RAMPS – IT IS A VIOLATION TO:

1. To park any vehicle not properly identified for ADA in an ADA space.
2. For any non-ADA driver, unless escorting, dropping off, or picking-up an ADA person, to park in an accessible space even if the vehicle is marked for ADA.
