Occupational Endorsement

Minimum Requirements for Occupational Endorsement: 12 credits

The Rural Nutrition Services Program teaches job-related skills and knowledge needed for entry-level employment in a wide range of nutrition-related positions in health care, education, local government and other organizations serving rural Alaska. Students learn nutrition science, behavioral health as it relates to nutrition, Alaska Native knowledge and traditions related to wellness and skills for sharing the information with individuals, groups and communities. Courses are taught within the context of the unique realities of rural Alaskan community food systems.
