

## HOMELAND SECURITY AND EMERGENCY MANAGEMENT

---

University of Alaska Fairbanks

### **Master of Security and Disaster Management Degree**

The MSDM program provides both aspiring and existing homeland security and emergency management practitioners the education needed to lead and manage from the operational to strategic levels within their chosen career field.

The degree offers five concentration options:

- Arctic security
- Business continuity
- Cybersecurity
- Disaster management
- Strategic leadership

## Benefits of the MSDM Program

- 100% online
- In-state tuition for all online courses
- Instructors with real world, hands-on experience
- Member of Federal Emergency Management Agency (FEMA) Emergency Management Higher Education Program
- Member of Department of Homeland Security University & Agency Partnership Initiative (UAPI)
- Only program of its kind in the state of Alaska
- Transfer up to 6 graduate-level courses from approved ACE credit programs

## Curriculum Overview

- Five core courses
- Three courses from a concentration of your choice
- Two elective courses from over 13 options
- No thesis required

*since 1917*
