

EARL CLABO 4-H AGRICULTURE OUTREACH AWARD

Long time Alaskan farmer and passionate promoter of Alaskan agriculture, Earl Clabo was particularly passionate about youth and agriculture education. Memorial funds donated to the Mat-Su/Copper River 4-H District in his name have been used to establish a memorial award in his honor that recognizes middle or high school 4-H member's outstanding endeavors in agriculture outreach during a 4-H program year in the Mat-Su/Copper River 4-H District. Judging will take place in the fall of the year and an award of a \$100 savings bond will be presented at the annual 4-H District Achievement Program.
