University of Alaska Fairbanks

17101 Point Lena Loop Road, Juneau, Alaska 99801

DR. H. RICHARD CARLSON SCHOLARSHIP

The Dr. H. Richard Carlson Scholarship is awarded to an outstanding graduate student for the 2018-19 academic year.

AWARD AMOUNT: Amount of two semester's graduate level tuition, up to \$8802.00 – University expenses only.

DUE DATE: July 20, 2018

DATES OF AWARD: September 2018 and January 2019, automatically credited to student's University account.

ELIGIBILITY: Applicants must be full-time UAF Fisheries graduate students, in good standing, conducting fisheries biology research at the CFOS in Juneau. Applicants must be Alaska residents and demonstrate motivation and academic and leadership potential. Preference will be given to students who demonstrate financial need.

****Successful recipient must be enrolled full time during the term of the award (nine credits each fall & spring semesters - no audits.)**

APPLICATION FORM: Dr. H. Richard Carlson Scholarship Privately Funded Scholarship Form available at CFOS Juneau Center, from juneau@sfos.uaf.edu and online at <http://www.uaf.edu/cfos/academics/graduate/scholarships-funding/within-cfos/>

APPLICATION PROCESS: Send application form (which includes 2 letters of recommendation) and following supporting documents:

- Current transcripts (unofficial copies are accepted)
- Personal statement that includes how the student meets the eligibility requirements and describes financial need (i.e. employment and other financial aid student is receiving).

To
Carlson Scholarship Review Committee
Juneau Center, CFOS, UAF
17101 Pt. Lena Loop Rd.
Juneau AK 99801
or juneau@sfos.uaf.edu

REVIEW PROCEDURE: A faculty committee will review all applications and make a recommendation to the Chair of the Fisheries Department.

Shirley Carlson established this scholarship in honor of her late husband, Dr. H. Richard Carlson. Dr. Carlson made substantial and important contributions to fisheries science in Alaska as a scientist at NOAA Fisheries Auke Bay Laboratory. In addition, he gave support and encouragement to UA fisheries students.
