FROM: Daniel M. White, Chancellor 
RE: Vaccination Requirement Request Approval

The University of Alaska System policy states that vaccination requirements may only be made by exception and may only be approved by the President and the request of the Chancellor.

I have received your request for a vaccination requirement for the following:

RHS AND HUMS COHORT CLASSES HELD AT THE KUSKOKWIM CAMPUS IN FALL 2021

Based on your request and President Pitney's approval, I am herewith authorizing a vaccination requirement (with medical and non-medical-religious exemptions) for that purpose.
