TO: Nettie La Belle-Hamer, Vice Chancellor for Research
FROM: Daniel M. White, Chancellor 
RE: Vaccination Requirement Request Approval - HAARP and PFRR

The University of Alaska System policy states that vaccination requirements may only be made by exception and must be approved by the President at the request of the Chancellor.

I have received your request for a vaccination requirement for the following:

**UAF STAFF AND OFFICIAL VISITORS TO THE HIGH-FREQUENCY ACTIVE
AURORAL RESEARCH PROGRAM (HAARP) AND THE POKER FLAT RESEARCH
RANGE (PFRR)**

Based on your request and President Pitney's approval, I am herewith authorizing a vaccination requirement (with medical and non-medical-religious exemptions) for that purpose.
