Check-In Inside

O = bistro tables

{name}

[Diagram of a building layout with rooms labeled for check-in and other facilities]
4" between aisles
4" between chairs

Before...
Make sure system is on correct setting
Smart cart w/ DI Box hooked to sound.
Test sound of DI and mics.
Each mic should have enough slack to be moved
at least 4" in any direction.
Once tested and complete tape cords
or put cover over cords.
