Issuance of a Revised Proposal and Award Policies and Procedures Guide (NSF 18-1)

Dear Colleagues:

We are pleased to announce that a revised version of the NSF [Proposal & Award Policies & Procedures Guide](#) (PAPPG), (NSF 18-1) has been issued.

The new PAPPG will be effective for **proposals submitted, or due, on or after January 29, 2018**. Significant changes include:

- Addition of a new eligibility subcategory on international branch campuses of U.S. Institutions of Higher Education;
- Revision of eligibility standards for foreign organizations;
- Implementation of the standard Collaborators and Other Affiliations (COA) template that has been in pilot phase since April;
- Increase in the Budget Justification page limitation from three pages to five pages;
- Restructuring of coverage on grantee notifications to and requests for approval from NSF, including referral to the [Prior Approval Matrix](#) available on the NSF website; and
- Numerous clarifications and other changes throughout the document.

You are encouraged to review the by-chapter summary of changes provided in the Introduction section of the PAPPG.

A webinar to brief the community on the new PAPPG will be held on **December 8 at 2 PM EST**. Sign up to be notified when registration is available on

the [outreach notifications website](#), by selecting “All NSF Grants and Policy Outreach Events & Notifications.”

While this version of the PAPPG becomes effective on January 29, 2018, in the interim, the guidelines contained in the current PAPPG (NSF 17-1) continue to apply. We will ensure that the current version of the PAPPG remains on the NSF website, with a notation to proposers that specifies when the new PAPPG (including a link to the new Guide) will become effective.

If you have any questions regarding these changes, please contact the Policy Office on [\(703\) 292-8243](tel:7032928243) or by e-mail to policy@nsf.gov.
