OLLI Annual Lunch and Meeting a Success!

Thanks to the 115 OLLI members who attended the April 1st annual meeting and luncheon held at the University Community Presbyterian church. We did business, ate a wonderful lunch, and enjoyed the camaraderie of fellow OLLI members.

Business included:

• Introduction by out-going Board President Donna Dinsmore
• Voting on new board members
• Awarding of 10 year pins
• The history of OLLI by Barbara Lando
• Treasurer’s report by Lynn Slusher
• OLLI survey review & donation request from Mary Ann Borchert

Thanks to all who came and who volunteered to make this event a success!
Welcome OLLI's Associate Director Cynthia Steiner

I’ve lived in Fairbanks 28 years, and am delighted to join the OLLI organization as their Associate Director working together with Barbara Lando (no, she’s not leaving), Dorothy Throop (office assistant extraordinaire), and the OLLI Board of Directors.

I’ve been affiliated with the University for all of those years: first as a student (MBA in 1986), then as staff (including Executive Officer in the School of Management for four years and the Arctic Region Supercomputing Center for the past two years). In the true OLLI spirit, I’ve never stopped taking classes.

Before life in Alaska, I taught high school after getting degrees in Speech, English, and Theatre from the University of Minnesota.

My family consists of husband, Charlie, and three daughters (all in college: Rachael, a would-be doctor; Amy, an engineering student at UAF; and Paige, in nutrition and culinary arts). A menagerie of dogs, cats, goats, and horses also keeps us busy.

I love to garden (Master Gardener Class of 1989), canoe the remote rivers of Alaska (or not so remote: any will do), read, and dabble in art, music and theatre. I love living in Fairbanks (except for those really cold spells) where the people are warm, and there is simply so much to do!

—Cynthia Steiner

National Conference of the Osher Lifelong Learning Institutes

Two representatives from OLLI at UAF attended the OLLI National Conference in Itasca, Illinois, April 13 – 15.

Director Barbara Lando and Board member Lynn Slusher spent an intensive two days attending plenary and breakout sessions and sharing information with other OLLIs.

Lynn Slusher’s View of the Conference. A highlight for me was to visit with other participants about their diverse programs. Our Fairbanks OLLI is one of 117 institutes nationwide, in every state, with a combined membership of over 98,000. It was interesting to see all the differences among OLLIs – in their venues, length of courses, fee schedules, and member activities. The first night, each OLLI shared a special moment (WOW!) since the last conference, 18 months ago. Our WOW was our 10th Anniversary Celebration on the Riverboat Discovery. Bernard Osher attended, and the room almost shook with applause when he was introduced. Such appreciation was moving to witness and share. A couple of the sessions I attended (membership and collaborations) had material particularly helpful for our OLLI. Meanwhile Barbara presented some information on our UAF travel programs in a session called “Beyond the Classroom.” It was truly an energetic, positive, fun, informative, and well planned conference – and the food was outstanding!

The OLLI Network. Of the hundreds of lifelong learning programs across the country, 117 are fortunate to have been chosen to be “Osher Lifelong Learning Institutes” (OLLIs) and to enjoy the support of the Osher
OLLI at UAF is a member-driven organization, with members helping to determine policies, curriculum, and spending. This happens through the Board of Directors and the committees. Current committees include Administration/Finance, Curriculum, Travel, Social, Development, Membership/Publicity, and Archives. New members and new ideas are always welcome! Just let the Board Vice President Donna Dinsmore know that you are interested.

There are eleven elected members on the OLLI Board. At the Annual Meeting on April 1, eight were elected: six for two-year terms and two for one-year terms (to complete the terms of members who had to retire early).

Congratulations to those
• elected for two-year terms: Frank Abegg, Marcia Boyette, Donna Dinsmore, Stan Justice, Dave Norton, and Lynn Slusher
• elected for one-year terms: Dorothy Stella and Fran Tannian.

Continuing for the second year of their terms are Mary Ann Borchert, Ron Inouye, and Mary Ann Nickles. Thank you for your service to retiring members Ruth Benson, Hal Levey, Paul McCarthy, and 'Nanne Myers!

Board meetings are usually held on the last Monday of the month. At the April meeting new officers were elected for 2011.

Who Runs OLLI? OLLI Board of Directors and Committees

Lynn Slusher, President. Lynn has been on the Board since 2009 and served as Treasurer last year. She is retired from a variety of teaching positions, including some in villages of the North Slope.

Donna Dinsmore, Vice President. Donna has been on the Board since 2007 and has served as Secretary, Treasurer, and President. As Vice President she will take on the job of rejuvenating our committees.

Mary Ann Nickles, Secretary. Mary Ann joined the Board last year and served as Secretary. She is the retired Operations Manager of United Way of Tanana Valley and a very active volunteer.

Frank Abegg, Treasurer. Frank is new to the Board. He has worked for 40 years in Fairbanks as an engineer, project manager, and in management for FMUS, GVEA and PDC Consulting Engineers.
OLLI Achievers Break 100
(Courses, That Is!)

They have been taking classes for a while, and the numbers added up. These OLLI members have each taken at least 100 courses since Spring 2001:

Kristina Ahlnas  Debra Mutchler
Sandra Benson  Nanne Myers
Marianne Boko  Mary Nebert
Mary Ann Borchert  Mary Ann Nickles
Lizabeth Buckalew  Darlene Pasley
Roger Burns  Linda Pearson
Sylvia Burns  Barbara Rondine
Donna Dinsmore  June Siegrist
Sandra Giddings  Lynn Slusher
Shirley Gordon  Dorothy Stella
Carolyn Gray  Gerry Stewart
Don Gray  Susie Swaim
Sandy Haselberger  Rachel Thomas
Marcella Hill  Dorothy Thompson
Eleanor Houts  Pat Turner
Helen Howard  Margret VanFlein
Ginny Kawasaki  Kathy Vaupel
Ed McLaughlin  Dan Wells
Laurel McLaughlin  Marilyn Whitehead
Ritchie Musick  Christina Yurkovich

Top Achiever: Pat Turner

She has taken courses in every session since Spring 2001, and has taken a total of 202 courses! We asked Pat why she takes the OLLI classes. She says that she likes learning new things and challenging her brain, but she also enjoys the company of older learners. She lives alone, and while she loves having her children and grandchildren nearby, when it comes to conversation, she finds that she has more in common with people closer to her age. And there’s lots to talk about: the classes inspire discussions in interesting new areas — not just politics. Having participated for over 10 years, she is very positive about the changes that have occurred:

• she is enjoying the smaller classrooms on the east side of the building: it feels as if more people are comfortable participating in the discussions
• she likes having classes five days a week
• she thinks that the courses are getting even better!

Current favorites include the Insects class with Derek Sikes and the History of Yiddish Cinema with Len Kamerling, but she would take any course offered by Dr. Deely, and loves seeing the variety of films presented by Clif Lando.

Congratulations!

I’m old enough! Are you?

**by Barbara Lando**

I can’t resist a good deal! I just heard about the extension of the law that allows people who are 70½ or older to make tax-free transfers from IRAs directly to charities. I’ll be 70 ½ this year and will have to take a “required minimum distribution” from my IRA. The money is taxable as income, BUT not if it is transferred to a qualified charity!

So I called the financial advisor who handles my account to get the forms to transfer $5,000 to the Osher Lifelong Learning Endowment in the UA Foundation. I will not have to pay tax on this amount, and the full $5,000 will be placed in our endowment. Yes, all of it! As some of you may know, ordinarily gifts to the UA Foundation are subject to a gift fee of 1%, but there is an exception for the OLLI Endowment. So my $5,000 will become part of the principal, and each year earnings from it will be forwarded to OLLI operations. A good deal for everyone.
Osher Lifelong Learning Endowment

Our “permanent fund” is the Osher Lifelong Learning Endowment: the principal remains, and the investment income is used to support the yearly operations of OLLI. The endowment got a wonderful start with a most generous gift of $1,000,000 from the Bernard Osher Foundation in December 2008. Due to the slow economy the investment income has not been as great as hoped, but it is now over $147,000. We are planning to use approximately $26,000 of that in 2011 and $50,000 (or more) in 2012.

We are happy to report that additional donations to the endowment are beginning to come in, including one gift of remembrance and one of celebration:

- $500 in Memory of Lane Thompson and Sam Stoker from Joy Morrison.
- $420 in Celebration of Barbara Lando’s 70th birthday from 6 of her friends.

Thank you!

We would like to see the endowment continue to grow because the larger the principal, the greater the yearly income! So if you want to honor friends, or if your children don't know what to get you for Christmas, think about a gift that keeps on giving. Think about donating to the Osher Lifelong Learning Endowment. The endowment is held by the University of Alaska Foundation (a 501 c(3) non profit organization).

By mail: Send your check, payable to the UA Foundation, with a note specifying that it is for the Osher Lifelong Learning Endowment, to UAF Advancement Services PO Box 757530 Fairbanks, AK 99775

By phone: Contact Naomi Horne, UAF development officer, at 474-6464 to make a credit card gift.

Online: Visit www.uaf.edu/giving/ and click the Give Now box at the top right. For Gift Designation, select Other and then type in Osher Lifelong Learning Endowment.

“You told us to ask, so I’m asking,” said Mary Ann Borchert at the Annual Meeting. Her simple request for donations yielded over $1,100 that day.

Gifts are made to the UA Foundation, but be sure to specify that it is for Osher Lifelong Learning Endowment.

Thank you to all of you who contribute!

Whether you teach, take classes, assist in the classroom or office, or volunteer in other ways, we're grateful to you. We have a wonderful OLLI community!
UAF's Osher Lifelong Learning Institute offers opportunities for lifelong learning for older adults. Members come from all backgrounds. They share the common bonds of intellectual curiosity and the experience of their generation. Classes begin in September at the UAF University Park Building.
