Federal Direct Student Loan Limits

The amount of William D. Ford Federal Direct Loan funds that a student may borrow for each academic year (the annual limit) is based on the student's level of study and year in college. Use the chart below to determine your annual limit:

Class Standing	Subsidized	Unsubsidized	Total	Add'l Unsubsidized*
Freshman (0-29 credits earned)	\$3500	\$2000	\$5500	\$4000
Sophomore (30-59 credits earned)	\$4500	\$2000	\$6500	\$4000
Junior, Senior, or Post-baccalaureate (60+ earned credits)	\$5500	\$2000	\$7500	\$5000
Graduate (Master's/Doctorate)	-----	\$20,500	\$20,500	----

**Additional unsubsidized is available to INDEPENDENT undergraduate students or dependent undergraduate students whose parents were denied the PLUS loan.*

The amount of William D. Ford Federal Direct Loan funds that a student may borrow for his/her lifetime (the lifetime maximum) is based on the student's dependency status and level of study. Use the chart below to determine your lifetime maximum:

Student Status	Total Maximum	Subsidized** Maximum
Dependent Undergraduate	\$31,000	\$23,000
Independent Undergraduate	\$57,500	\$23,000
Graduate/Professional	\$138,500	\$65,500*

**Subsidized federal direct student loans are no longer available to graduate/professional students.*

***A student may receive subsidized federal direct student loans for up to 150% of his/her program's published length. If the student's enrollment in the program exceeds this limit, his/her loans will lose the interest subsidy and interest will begin to accrue on those loans.*
