The animal shall be restrained at all times. The animal handler or owner shall be responsible for the immediate disposal of animal waste.

Pet Policy Excerpt of UAF Policy 05.09.001:

- Open to all non-motorized use
- Wet and muddy areas are more vulnerable to damage. When the trail is soft, avoid the area.

User Guidelines:

Pet Policy:
UAF Pet Policy - Excerpt of UAF Policy 05.09.001: The animal shall be restrained at all times. The animal handler or owner shall be responsible for the immediate disposal of animal waste.
YEAR ROUND
Winter use of the North Campus area has designated ski, walking and snowshoe and dog friendly trails, during the summer trails are multi-use. Users are encouraged to follow trail etiquette and respect everyone’s right to use the trails. Things to remember when out and about in the North Campus Area:
• Stay on designated trails
• Do not disturb research projects, plots, markers or equipment
• No camping or fires
• Respect the wildlife. Enjoy watching, but don’t hassle them
• No hunting or trapping

PET POLICY
UAF Pet Policy (Excerpt of UAF Policy 05.09.001:
• The animal shall be restrained at all times. The animal handler or owner shall be responsible for the immediate disposal of animal waste.
