

Interdisciplinary Studies Minor Approval Form

Summary of the Minor

This is a customized minor for students who have educational goals that do not fit into one of the established minors at UAF. The approval committee will consider the following during review of this form:

- The minor must include courses from at least two different disciplines
- Courses in the minor must demonstrate a cohesive body of knowledge and skills
- The title of the minor must be an accurate representation of courses and the minor's theme
- An interdisciplinary minor cannot be redundant with or too similar to an existing UAF minor

The Deadline to submit this form is the last day of final exams, the semester PRIOR to a students' graduation term.
