

Dené (Athabascan) Art & Technology

Observe and sketch Alaska Native cultural objects.

Gallery of Alaska

Main Level

The Dené (Athabascan) people have lived in Interior Alaska for thousands of years. Look up to find the banner with a moose on it. Start exploring there.

Find a basket. Draw it:

What is it made of?

Find a tool like the one this woman is using. Draw it:

What is it called?

**What is this man making?
Look up to find it. Draw it:**

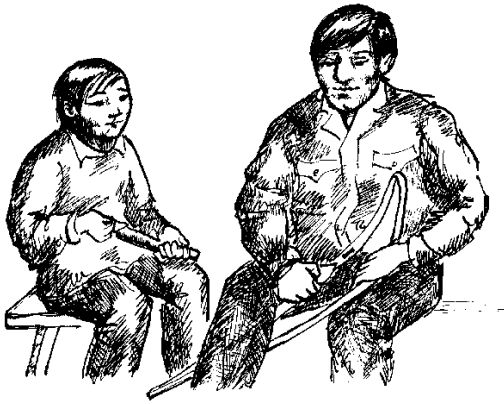

What is it?

Find something with a beaded design. Draw it:

What shapes are on it?

Can you guess what this man is teaching the boy to make?

Find it and draw it:

What is it?

Find something YOU would like to learn to make. Draw it:

Why do you want to learn to make this?

Clipart provided by the Alaska Native Knowledge Network (www.ankn.uaf.edu).
