

Ethnology Hunt & Find

Explore the ethnology collection
and find these cultural objects!

Gallery of Alaska

Main Level

Find these objects.

What materials are they made from?
How do people use each one?

The **Ethnology collection** contains over 16,000 objects created and used by the people of Alaska and the Circumpolar North from the mid-1700s to the present, including basketry, beadwork, clothing, tools, art, and more. These materials illustrate our diverse human stories.

Pictured: Dance Fans, Toksook Bay (UA70-56-1AB); Pair of Slippers, Fort Yukon area (UA72-036-0055AB); Utility Basket, Kashega (Wolking Collection), Spruce Root Hat, Alaganik; Ring and Pin Game, Kivalina (UA65-10-1); Model Dugout Canoe (McKinnon Collection).
