

I Spy Alaskan Animals!

Use the line drawings to find each region.
Hint: Look up!

Instructions: The Gallery of Alaska is divided into five regions marked by a banner hanging above each. Pretend you are an explorer on an expedition through Alaska. What animals can you spy as you explore each region? **Walk and look** at the exhibits and place a **check mark** in the box below the picture as you see the animal.

■ **Southwest** ■
