

Discover Museum Objects: Water

Instructions for Adults: Look at these pictures with your child. Use the prompts to talk about each photo. Encourage your child to discuss what they see in each picture.

Find animals that live in and around water!

Can you find...

- An animal that builds dams and has big front teeth?
- A furry animal that swims in the ocean?
- An animal with scales instead of fur?
- Animals that live at the bottom of the ocean?

Chinook or King Salmon [Oncorhynchus tshawytscha]

Beaver [Castor canadensis]

*Model of Beaufort Sea
Boulder Patch, with
multiple species.*

Ringed Seal [Phoca (pusa) hispida]

Find water-related objects and artwork!

Can you find...

- A vehicle to travel on water?
- A blue and brown painting?
- A bag made of fish skin?
- A photograph of a house and a boat?
- A wooden object used to catch fish?
