

VOLUNTEER AT THE MUSEUM

Docent Training Spring 2020

January 14, 15, and 16/ 9:30 – noon
January 21, 22, and 23/ 9:00 - noon

- Museum docents are volunteers who work with a team to lead K-6th grade programs during the academic school year.
- Docents commit to 3 hours, 1 morning per week for a full semester.
No prior experience is necessary!
- Call Museum Education to register for training: 474-5360.

Professional training prepares you to use the museum's exhibitions and hands-on objects to teach students about science, culture and art. Museum docents gain valuable experience in education and interpretation as well as learning more about Alaska's natural and cultural history. Credit available. Call for more information.
