

# COMMUNITY SCIENCE NIGHT

*Hosted by Nome Elementary School*

**Join UAF educators for an evening of fun!**

- ★ View our changing world on a large, globe-shaped movie screen
- ★ See a planetarium show
- ★ Interact with a National Geographic Giant Map
- ★ Collect and view your own DNA
- ★ Explore tools used in science
- ★ Look through a microscope
- ★ Examine a human skeleton

**FREE  
Admission**

**Friday, October 26th  
5:30–7:30 pm**

**Nome Elementary School**

*Children must be accompanied by an adult*
