

In recognition of National Payroll Week September 2-6, 2013, the UAF Office of Human Resources encourages you to log in to your UAOnline account, select the Employee Services tab, and review the information about your benefits and deductions, pay information, tax forms, leave balances and so forth.

If you need to add or change your mailing address (MA), change your name or marital status, correct your social security number, or change the address where your pay statements and W-2s are sent, please send HR a change form http://www.alaska.edu/files/hr/change_form_ent.pdf

We also invite you to take the "Getting Paid in America" survey via the American Payroll Association. Each person who takes the survey is automatically entered to win a free paycheck and a trip for two to Las Vegas (survey and rules are found at http://www.nationalpayrollweek.com/NPW_Survey/survey.cfm

National Payroll Week celebrates the hard work by America's 156 million wage earners and the payroll professionals who pay them. Together, through the payroll withholding system, they contribute, collect, report and deposit approximately \$1.78 trillion, or 70.5%, of the annual revenue of the U.S. Treasury.
