Lynda at UAF

Watch. Listen. Practice. Learn.

Lynda.com is an online training library that provides access to over 900 courses and over 56,000 tutorials on videography, photography, web design, graphic design, business practices and more, all organized by subject, software, and instructor.

Lynda even provides tutorials on beta and pre-release versions of software.

With cmore and more content, updated weelkly and sometimes daily, Lynda offers the training necessary to stay ahead of the curve.

BENEFITS OF LYNDA

- Unlimited access - Provide access to every single one of Lynda's 2053 courses and 105,000 tutorials.

- New courses added weekly - To keep your skills up to date with the fast-changing pace of technology.

- Learn on the go - Lynda's mobile site and iPhone and iPad app feature streaming video. Plus, your course history syncs across devices.

- Save and prioritize courses - The playlists feature lets you create and manage a list of courses you want to watch, and bookmarks tag-specific videos for reference.

- Watch what you want - Courses are presented in small chunks, so it's easy to find quick answers to specific questions. You can also watch an entire course from end to end if you choose to.

- Expert teachers - Instructors are respected professionals in their fields, and passionate about sharing their expertise.

- Top-quality videos - Compelling videos use screenshots, narration, live action, smart boards, charts, graphics, and audio.

- Searchable transcripts -Read along with closed-captioned transcripts—or search the text to quickly find information within a course.
