# SAVE THE DATE

## JUNE 8-12, 2015 - Fairbanks, AK

The **Alaska Tribal Technical Assistance Program Center**, **Center for Environmentally Sustainable Transportation in Cold Climates** and the **Alaska Local Technical Assistance Program Center** will be hosting a Summer Transportation Institute. This 5-day training workshop will engage participants in lectures, lab tours, and field trips with various topics on transportation infrastructure in a rural and cold environment.

This program is free of charge to participants. Training certificates and professional development hours will be awarded to participants. For more information, please visit the [tribalmgmt.uaf.edu/akttap](http://tribalmgmt.uaf.edu/akttap).
