

NANOOK NATION NEEDS YOU!

▶ Join the **Override Rally**.

Monday, July 8, 9 a.m.

Outside the Fairbanks Legislative Information Office

1292 Sadler Way (just south of Home Depot)

The Associated Students of UAF, Faculty Senate and Staff Council invite the entire community to support the university.

University supporters are asking legislators to override the governor's veto of \$130 million from the university budget — a devastating cut of more than 40% of the state's share. Without an override, major parts of the university will be shut down.

Supporters will also cheer on members of UAF's student government as they launch their **Ride for the Override**. They'll caravan across the state to raise the alarm in other communities. To participate, contact Bernard Aoto, ASUAF president, at rideforoverride@gmail.com.

Naturally Inspiring.
