

# Alaska EPSCoR/UA Foundation Philanthropic Giving Workshops

Alaska NSF EPSCoR is partnering with the **University of Alaska Foundation** and **Alaska INBRE** to offer a pair of virtual sessions at this year's EPSCoR All-Hands Meeting on the subject of private philanthropic support for research. The events will offer an overview of the art and science of building relationships with corporations, private foundations, and individuals who might be inspired to invest in your work.

First, the [UA Foundation](#) will present on “**Navigating Private Philanthropy at UA.**” The one-hour session will focus on the process of seeking and accepting private gifts at UA, including the basics of how UA Foundation funds work and who to contact for more information.

Then, [Advancement Resources](#) will offer a two-hour presentation entitled “**Insight into Private Philanthropy.**” The session will explore the variety of ways that non-governmental support can enhance and extend the impact of research, and ways to create opportunities for interested individuals to connect and engage with researchers' science.

- **Who:** open to all UA faculty, staff, students and affiliates
- **When:** Wednesday, November 4, 8:30 AM- 9:30 AM and 10:00 AM – noon, respectively
- **Where:** via Zoom; Attendees must register in advance at <https://tinyurl.com/y4ovlqka>
