

# What are your plans this summer?

## UNIVERSITY ENTREPRENEURS CONGRESSIONAL INTERNSHIP PROGRAM

NCET2 Experiential Learning and Internship programs are designed for university and college students interested in entrepreneurship and startup culture to:

- learn by working with entrepreneurs and startups
- learn by working with angel and venture capital investors
- learn by interning with Congress in the University and College University Entrepreneur Internship Program

**The duration of the internship is mid June to mid August 2017**

**Internships are non paying positions**

**Application deadline is January 30, 2017**
